## North Industry Christian Church Softball Leagues 2009 LIST OF APPROVED BATS

*Here are the criteria that we used to determine this year's list:*

- All bats must be single walled bats.
- We would like to avoid multiple piece bats whenever possible but not exclusively.
- All bats must contain the 2004 ASA approval seal (*see right*).
- Any bat that has a dent or ding of any kind will be removed from play and be declared unusable.**

**Remember, we are looking for bats that maintain safety for everyone in our leagues.**
