Mission Statement and Information

To develop and promote the missionary interest of the church through education & involvement in mission trips and prayer.

Brian and Tabitha Hauser

Brian and Tabitha are going to a world that has not heard about cell phones, faxes or Christ. They are changing that by taking scriptures to the Djoula (pronounced Ju-la) tribe in Africa's Ivory Coast. Brian and Tabitha, along with their new son Samuel, who was born in Africa, are putting their faith on the line to bring Christ to an underdeveloped third world country. The Djoula are Muslim's and it is very hard to reach them because if they become Christians, they lose their jobs and their families will have nothing to do with them. They literally give up everything for Christ.

Tina Isenhower

Damou Christian Mission is a mission that NICC supports in Haiti and is run by Tina. She has a school and bakery there. Many of the families at NICC have "adopted" a child from Haiti that they support monthly. This support enables the children to go to school and have gifts at Christmas.

Carlos and Judy Minton Lopez

Their mission is called Vida Nueva Ministries. Judy has a school and a church that she is running. The school has 240 students, preschool through sixth grade this year and has a waiting list. The church has small groups with over 230 people involved.

Judy would love for you to come visit her. She is just across the border from Eagle Pass, Texas.

Ghislain and Diane Sylvestres

Ghislain and Diane spent over fifteen years in Mali, West Africa. They are now on a new mission field in a Muslim country. For safety reasons, we are not allowed to disclose their location. The people they are trying to reach now only have an underground church so the Sylvestres have to be very careful. Please pray for their success and safety in their new mission field.

The Wrights

Bob and Bev Wright and their son and daughter-in-law, Doug and Monica, run the Mexico Christian Children's Home in Queretaro, Mexico. NICC takes a missions trip there every year to help them with repairs and new building projects. Bob and family have been working in Queretaro for over thirty years. Through their ministry, a lot of young people have come to know Christ.

Canton Christian Home

The Canton Christian Home's mission is to provide the highest quality care and services to older adults. NICC currently has eight members who live at CCH. The benevolent fund which we support helps to subsidize those in the home. There are many in our church that volunteer their time at Canton Christian Home doing things like driving the bus, helping with office work, or serving in the kitchen.

¹⁶Then the eleven disciples went to Galilee, to the mountain where Jesus had told them to go. ¹⁷When they saw him, they worshiped him; but some doubted. ¹⁸Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. ¹⁹Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, ²⁰and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."
